5-star reviews on amazon.com

"This is one of the most accessible and relevant books available on meditation. *Hurry up and read it!*" — Ian Gawler OAM, author of *Peace of Mind and Meditation – Pure and Simple*.

"Michie skillfully takes meditation out of the hippy, trippy, New Age sentimental or magical realm and brings it down to the basic practical level that it is. His style is very simple and accessible. This book is for vaguely interested skeptics, a most difficult group to satisfy. That he succeeds in doing so makes this indeed a wonderful, highly commendable book."
