## Bolinda Standing Orders – 20% off and free shipping!

Our Standing Orders offer outstanding value and convenience giving 20% off our list prices as well as free shipping. As part of the highly personalized service you'll also receive an email alert every month telling you which titles we'll send – and you can substitute other titles if you desire.

To set up a Bolinda Standing Order plan for your library, send an email to [usa@bolinda.com](mailto:usa@bolinda.com) or telephone us toll-free on 888 708 3602.

## Visit our secure, easy-to-use website [www.bolinda.com](http://www.bolinda.com)

You can search our full range of products by author, title, genre, publisher, ISBN, age group (adult, young adult or children) or type of format. You can also listen to extracts from hundreds of our audio books.

Take advantage of an online account:

- allocate titles to your branches
- check past orders
- order replacement CDs, cassettes, MP3 CDs and cases
- change your details
- easy payment via account or credit card

To set up an account with a username and password, phone us toll-free at 888 708 3602.

To ensure the safety and security of your online transactions, our website features the Secure Sockets Layer (SSL) system used by the most reputable of e-commerce traders. It's the industry standard for encryption technology.

## 3-year replacement guarantee

Our commitment to quality and customer satisfaction includes the free replacement of lost, faulty or damaged CDs, cassettes, MP3 CDs and cases for up three years after their initial delivery. Replacements can be ordered online or by phone.

Our sturdy, shelf-ready vinyl cases can also be ordered using the form included in this catalog.

## Bolinda MARC records now available

For the convenience of OCLC members, our USMARC records are now available on the WorldCat database.

## Bolinda Audio now available from OverDrive®

You can make available for download from the Digital Library Reserve® by OverDrive® a selection of Bolinda audiobooks for your patrons to play on their MP3 players, PDAs or iPods. All available titles are marked with ■ in the order form, and the list is continually growing.

Visit the Digital Library Reserve® website at [www.dlinc.com](http://www.dlinc.com) for more details.

## Any questions?

Our enthusiastic team is here to assist you in any way we can. For more information on our titles, on ordering or anything else we can help with, please don't hesitate to get in touch. See the inside back cover of the catalogue for our contact details.

# MP3s: So, what's all the fuss about?

What's an MP3? MP3s are digital sound recordings that have been compressed. Their smaller size makes them easier to load and store.

## **Bolinda's high quality MP3 CDs have a number of compelling advantages over standard CDs:**

- We can fit an entire unabridged audio book recording onto one or two CDs  
That's about 16 hours of listening on CD, which is a lot more convenient than multiple discs that often contain just over one hour
- You can load Bolinda MP3 CDs onto iPods and portable devices faster than normal CDs
- They come with Playlist and Table of Contents files for easy track selection
- It's easy listening!

## **Bolinda MP3 CDs can be played directly on a range of devices:**

- Your personal computer
- Car CD players  
(if they are MP3 compatible)
- Home CD players  
(if they are MP3 compatible)
- Most DVD players

## **Bolinda MP3 CDs can be loaded quickly and easily onto:**

- iPods and other portable MP3 players
- Your PDA

## **Happy to hear from you...**
