The staff at Sunnydale seem friendly, but Theresa is troubled that she can only 'observe' her aunt from a viewing room. When she starts asking questions, someone tries to run her off the road. Coincidence – or something darker?

Theresa turns to her attorney friend Lizzie Fox, who enlists the Sisterhood – a fearless group of women with a talent for justice. ### Remember That Day

A Ravenswood Novel #5  
Mary Balogh

Winifred Cunningham, the adopted daughter of a portrait painter, hopes that her new close friend, Owen Ware, will soon ask for her hand in marriage. But when Owen introduces Winifred to his elder brother Nicholas, the late Earl of Stratton's second son, the slow burn of attraction between them begins.

Nicholas is a cavalry colonel – a hardened soldier whom Winifred at first despises. She finds him intimidating and cruel-looking, while he finds her strange and startlingly forthright. During a summer at Ravenswood, however, Nicholas and Winifred are unwillingly thrown together on several occasions, until they realise the passion that drives their disagreements is not due to dislike – it is because of attraction.

Winifred still awaits Owen's proposal, and Nicholas has made his intention to marry his commanding officer's daughter quite clear. With allegiances to other marriage prospects and brotherly bonds at risk, not to mention the age difference between them, Nicholas and Winifred know it would be wholly improper to pursue a romance ...

And yet, romance is irresistible. Perhaps even inevitable.
