Evil Bones

A Temperance Brennan Novel #24
Kathy Reichs

Small creatures – a rat, a rabbit, a squirrel – have been turning up throughout Charlotte, North Carolina, mutilated and displayed in the same bizarre manner. One day, as Tempe is relaxing at home alongside her aimless, moody great-niece Tory, she's diverted by a disturbing call. Now, it seems, the perp is upping the ante. Could the remains be human?

Tempe discovers the victim is a dog. As one who has always found animal cruelty deeply abhorrent, Tempe vows to help apprehend the person responsible. Bolstered by Tory's layered knowledge of animal behaviour and the outrage of semi-retired homicide detective Erskine 'Skinny' Slidell, she hunts for answers.

A forensic psychologist warns the escalating aggression forewarns of more macabre discoveries – and that the perp's focus may soon shift to humans.

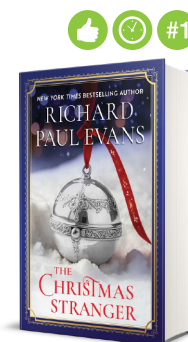

And then it happens. A woman is found disfigured and posed in a manner that mimics the earlier killings. As Tempe and Slidell follow the horrifying clues to a shocking conclusion, they're forced to confront an increasingly terrifying question: 'What is pure evil?'.

The King's Ransom

A Recovery Agent Novel #2
Janet Evanovich

Gabriela Rose, recovery agent extraordinaire, can find just about anything. Too bad she can't seem to lose her gorgeous-but-infuriating ex-husband Rafer Jones. And now he needs her help. His cousin, Harley, is in big trouble.

As the president of a too-big-to-fail bank, he invested an astronomical amount of money in insuring some of the world's most priceless artefacts at the urging of his board. It seemed like a low-risk, high-reward business move, so he jumped in with both feet. Recently, these insured pieces began disappearing and with no paper trail of Harley being directed to make these risky investments, it looks like Harley is going to be heading to jail as the fall guy for an ingenious crime.

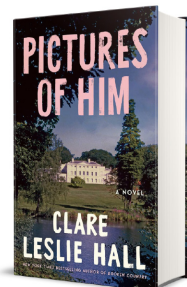

Gabriela knows what she must do: travel around the world with Rafer to find the missing works of art, keep Harley out of jail, and save both his skin and his bank. Along the way, she'll encounter corruption, threats, murder and mysterious dark forces.

The Seven Rings

The Lost Bride Trilogy #3
Nora Roberts

Long ago, Arthur Poole built a grand house overlooking the turbulent ocean, in the Maine village that bears his name. Today, Sonya MacTavish lives in that house – a manor that has been cursed for generations. Within its walls, she has witnessed the deaths of seven brides and the thefts of seven wedding rings.

Determined to bring light to this haunted place – to fill it with people, with life and hope, once again – Sonya decides it is time to break the curse and banish a malevolent spirit once and for all.

But the enemy in the black dress continues to hover, coming at her in frightening forms. They may be illusions – but illusions can be powerful enough to wound, even kill. This dark-hearted witch wants to be mistress of Poole Manor, at any cost. And Sonya will need to fight a battle across two realms to finally take possession of the house on the clifftop – and of her own future ...

From Cradle to Grave

Royal Spyness #19
Rhys Bowen

Georgie may be figuring out what it means to be a new mother but she does know one thing for sure: she absolutely despises the strict nanny her meddling sister-in-law imposed. While searching for a new nanny, Georgie visits her friend ZouZou in London, only to find she's heading to a funeral for a young man who died unexpectedly.

It quickly becomes clear there are multiple mysterious deaths around town, when another friend reveals he's also just returned from the funeral of a schoolmate, who seemingly died in a boating accident. Then news arrives of another tragic loss – a family friend's son. Georgie is convinced it's no coincidence, though the victims appear unrelated.

ZouZou urges Georgie to investigate the suspicious deaths. Georgie fears her husband Darcy could be the next victim. It seems likely there is a serial killer at work and Darcy fits the bill to be their next victim. Will Georgie solve the murders before it's too late for Darcy, and manage to find the perfect nanny all at the same time?

Robert B. Parker's Showdown

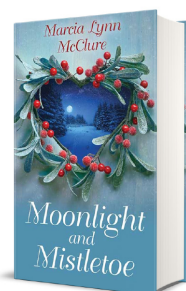

A Spenser Novel #53
Mike Lupica

Vic Hale isn't anyone's idea of a father figure. He is one of the biggest and loudest podcasters in the nation and got there by spewing overheated rhetoric that's reviled by some but loved by even more. His particular brand of 'entertainment' is so successful, he's about to sign the biggest contract in the history of online broadcasting. Vic's riding high ... until he gets a visit from Spenser, who specialises in bringing guys like Hale back down to Earth.

Spenser is there on behalf of Daniel Lopez, a young man who believes Hale may be his father. It's a potentially explosive revelation for a man in the podcaster's position and it might even be enough to blow up his massive new deal. That could explain the bodies that start popping up – bodies connected in one way or another with the mystery surrounding Daniel's birth. There are a lot of questions remaining, and Spenser's going to find the answers before someone shuts Hale or Daniel up for good.

Accidentally Amy

Lynn Painter

Isabella Shay is usually a very honest person. But when she's running late for her first day at her dream job and the barista yells for 'Amy', she does the unthinkable. Izzy takes that pumpkin spice latte.

It's the exact drink she ordered and paid for, only way further ahead in the queue. But when she turns around and runs directly into the most attractive man she's ever seen, spilling the drink all over his shirt and tie, she ends up having the ultimate meet-cute. Sparks fly and things feel beyond promising, until he says to her: 'See you tomorrow, Amy'.

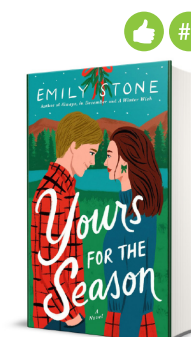

Izzy reasons she can just straighten things out the next day, no biggie. Only when she meets the VP at the new office, it is none other than Blake Phillips – the hottie from Starbucks. The man might've been charming to 'Amy', but he is an arrogant grump to Izzy. Still, an attraction simmers between them, and they'll have to find a way to work together without ripping each other's heads – or clothes – off.

The Book Series #2
Jean Hanff Korelitz

Anna Williams-Bonner has resolved issues concerning her husband, bestselling novelist Jacob Finch Bonner, and addressed anonymous plagiarism accusations that troubled him. She is now enjoying a peaceful existence as a literary widow, benefiting from his ongoing royalty payments. However, for the second time in her life, a fictional work has intervened. This time it is her own debut novel, *The Afterword*, questioning the perceived ease of writing a bestseller.

Anna's life is disrupted when excerpts from a novel she believed lost resurface after she publishes her own acclaimed book. The reappearance suggests a serious problem and the involvement of someone with intimate knowledge of her late brother, husband and potentially Anna herself. This individual's motives and intentions are unclear, but Anna, a skilled storyteller, is determined to protect her own narrative and what she cherishes most.

With her signature wit and sardonic humours, Jean Hanff Korelitz gives readers an antihero to root for while illuminating and satirising the world of publishing in this deliciously fun and suspenseful read.

The fictionalised story of acclaimed British author Penelope Fitzgerald's real-life journey to Mexico with her son in search of a much-needed inheritance.

In the winter of 1952 Penelope Fitzgerald's husband was a struggling alcoholic and their literary journal on the brink of failure. Out of the blue, Penelope received a letter which dangled a possible inheritance from two spinster sisters named Delaney, distant relations owning a silver mine in Mexico. In order to assert her claim in person, Penelope and her six-year-old son Valpy sailed as soon as possible from England to New York, and from there embarked on a harrowing bus ride all the way to northern Mexico.

Jessica Francis Kane's reimagines Fitzgerald's epic and perilous journey, situating the Delaney sisters in the imaginary town of Fonseca. Nothing goes to plan in Penelope's pursuit of the legacy; there are others vying for the Delaney money. Penelope must navigate a quixotic household as more and more people frequent the house: an ambitious American couple, various local entrepreneurs and artists, and finally a handsome stranger claiming to be a Delaney.
