The Widow

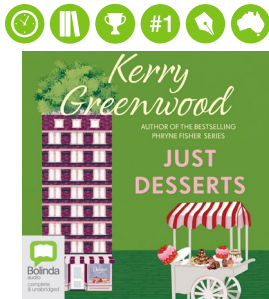

John Grisham

Lawyer Simon Latch is struggling with debt, gambling issues and an impending divorce. But when Eleanor Barnett, an 85-year-old widow, visits his office to secure a new will, it seems his luck has finally changed: she claims she's sitting on a \$20 million fortune and no one else knows about it.

Once he's hooked the richest client of his career, Simon works quietly to keep her wealth under the radar. But it's a terrible mistake. Hidden secrets have a way of being found out, and when Eleanor is hospitalised after a car accident, Simon realises that nothing is as it seems.

As events spiral out of control, he finds himself on trial for a crime he swears he didn't commit: murder.

Psychological Fiction

The background of the entire page is a photograph of a man in a dark shirt and pants walking away from the camera down a two-lane road at night. The road is wet and reflects the lights. In the distance, a diner with a sign that says "DINER" is visible on the left side of the road. The sky is dark with some clouds. The overall color palette is dark with some highlights from the diner and the road's reflection.

THE NEW
REACHER
LEE
CHILD

THE WORLD'S NUMBER ONE BESTSELLER
AND **ANDREW CHILD**

CHAIN
REACTION

Jack Reacher faces a deadly conspiracy in a Colorado town in this gripping thriller, from New York Times bestselling authors Lee Child and Andrew Child.

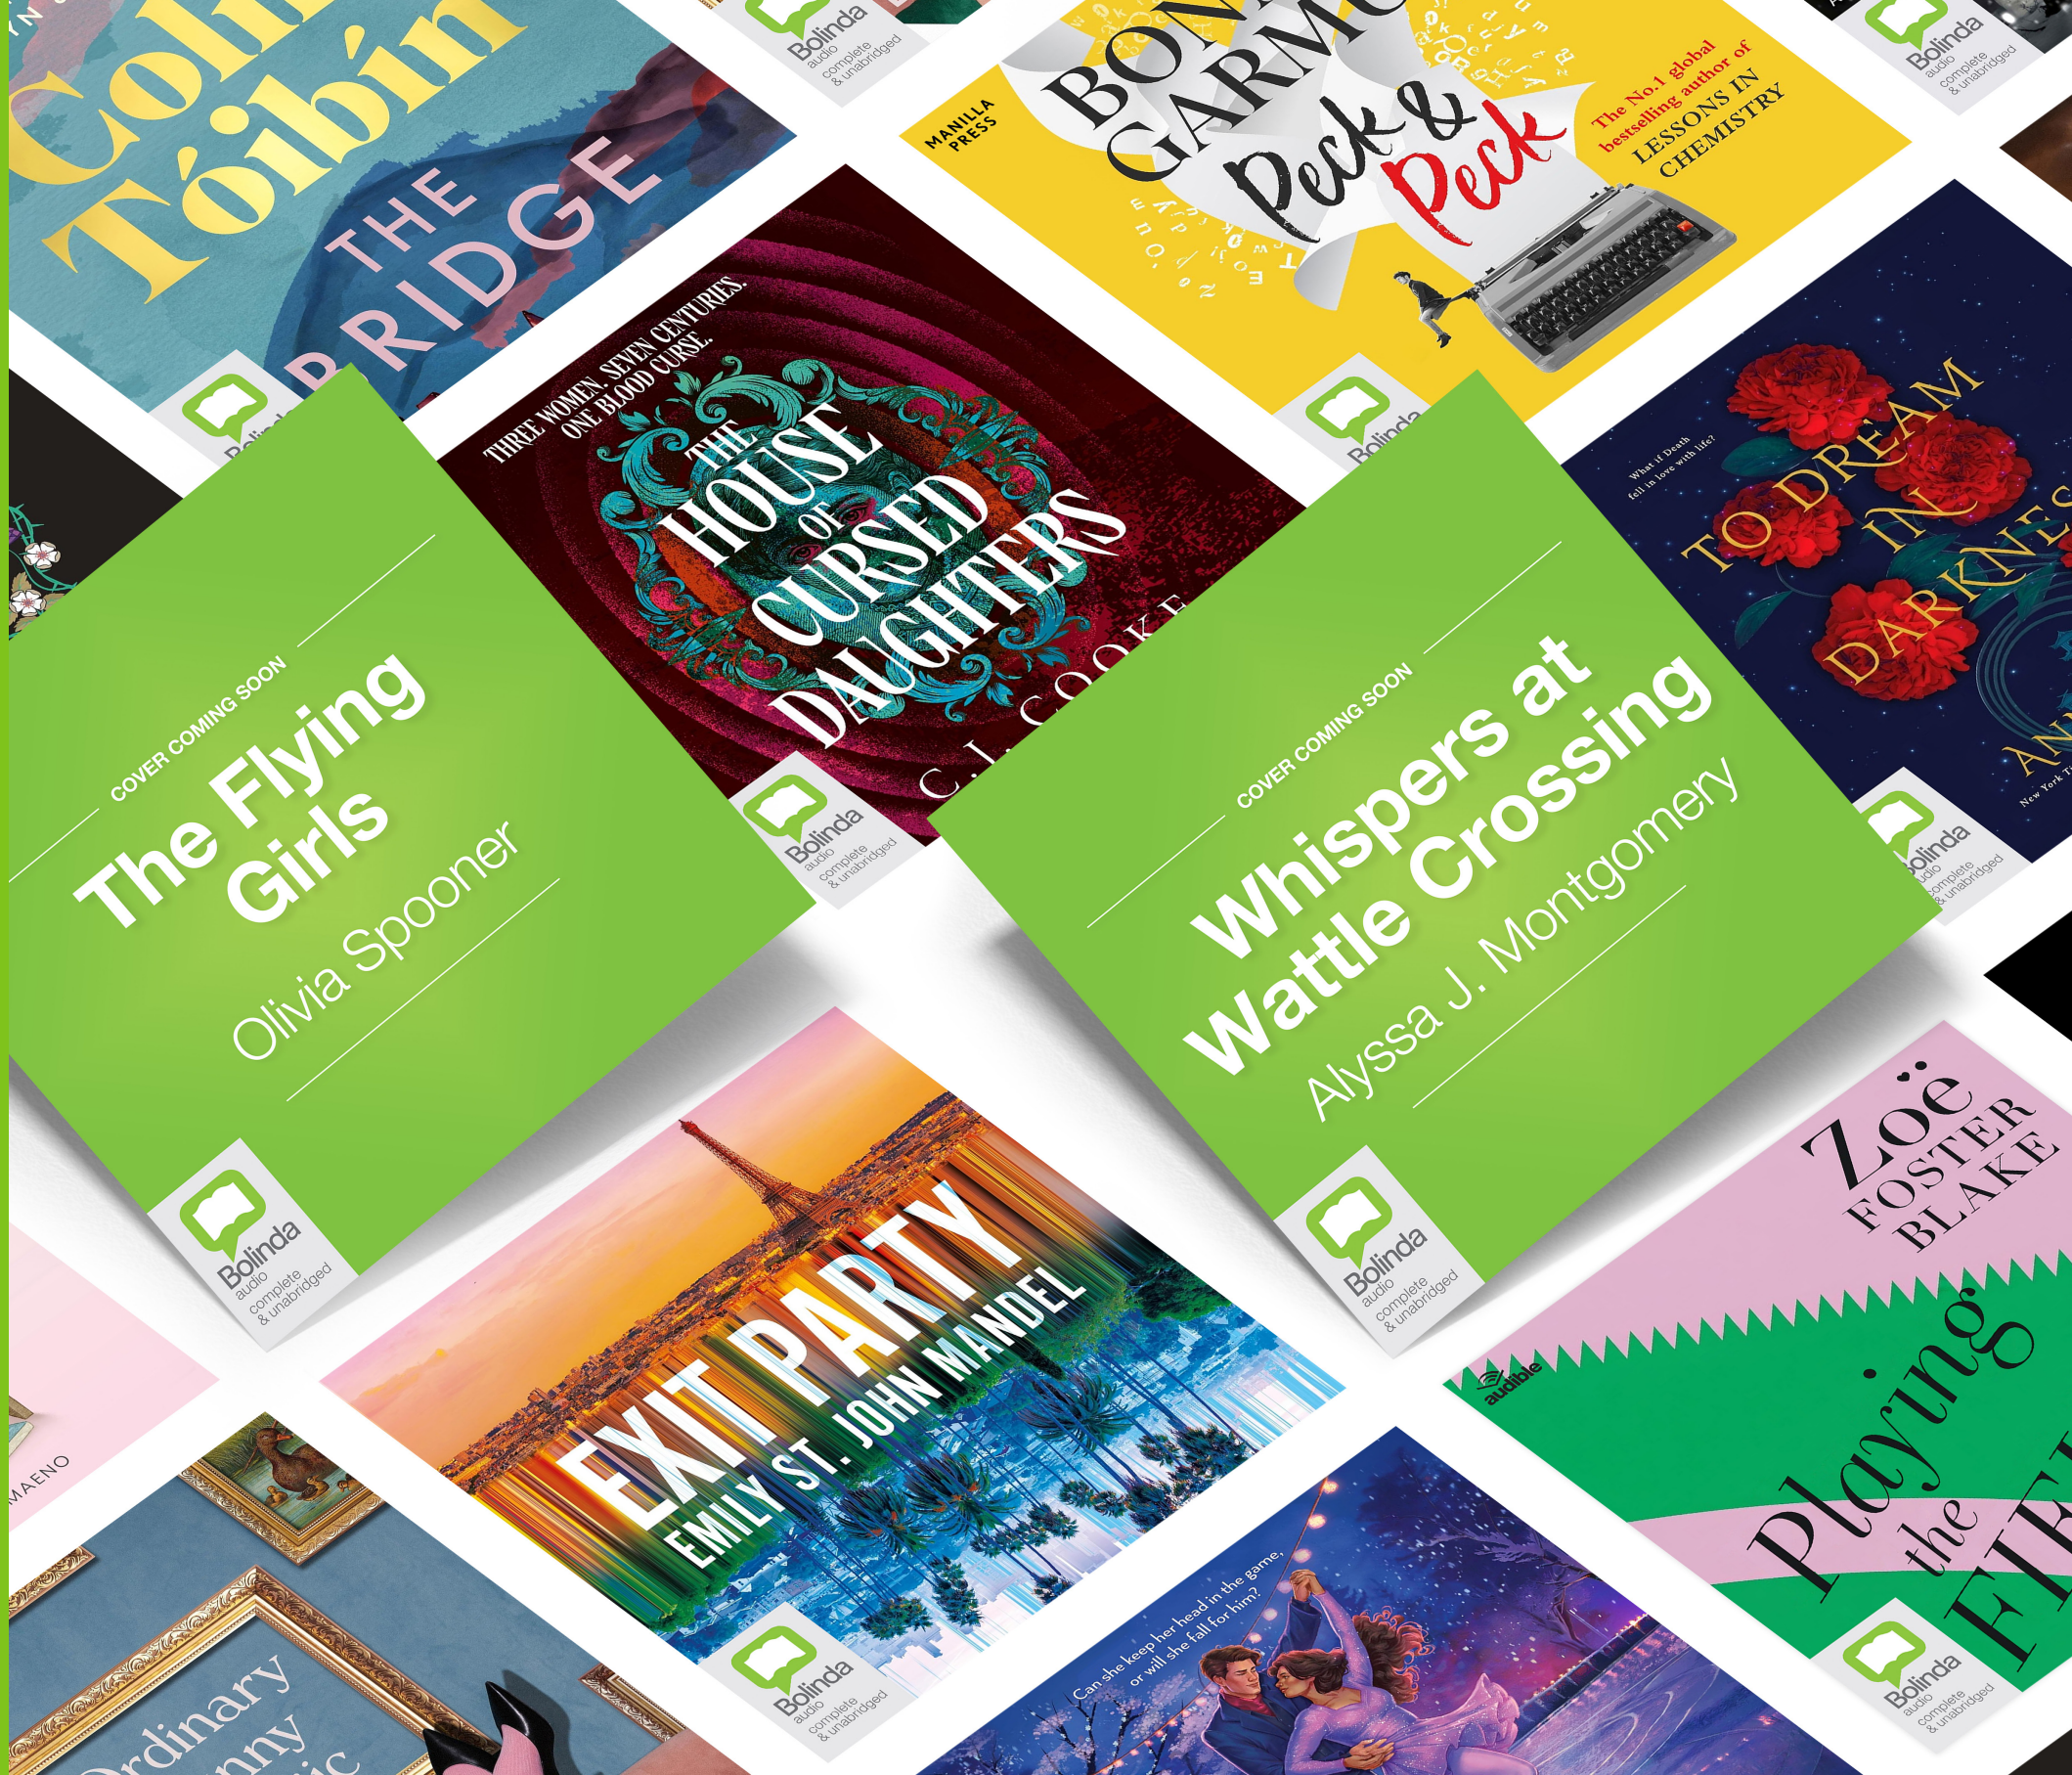

Jack Reacher is hard to find. It's not easy to track him down. And he likes it that way. But General Susan Turner, based deep inside the Pentagon, has the means and the motive. She needs his help. A member of her team has been brutally murdered on covert duty. She can't trust anyone she works with, not even her deputy. She needs someone from the outside. Someone who solves problems and disappears without a trace.

Reacher heads to Summertown, Colorado. A town as remote and bizarre as it gets. One diner, one motel, five massive data centres, two giant solar farms humming away in the dust. Total population: four people. And one of them is watching him. But Reacher isn't built to run. He's built to finish things. General Turner knows: if they come for him, they'll regret it – all the way to the top of the chain.

'A piece of pure thriller-writing gold. Chain Reaction demonstrates why the extraordinary Reacher franchise is as popular and enduring as it is.'

The Flying Girls

Olivia Spooner

Initially viewed with scepticism, the 'flying girls' became a crucial, high-skilled and often unsung force that ferried 309,000 aircraft – from trainers to heavy bombers – from factories to Royal Air Force frontline bases, freeing up male combat pilots.

The flying conditions were often dangerous – the so-called 'Attagirls' were required to fly 'anything to anywhere', usually with no radios or navigational equipment, and in high-risk conditions.

This emotional and inspiring historical novel will both break your heart and then put it back together again.

Narrator to Come

Olivia Spooner is the New Zealand author of historical novels *The American Boys*, *The Songbirds of Florence* and *The Girl from London*

Historical Fiction

Whispers at Wattle Crossing

Wattle Crossing #1

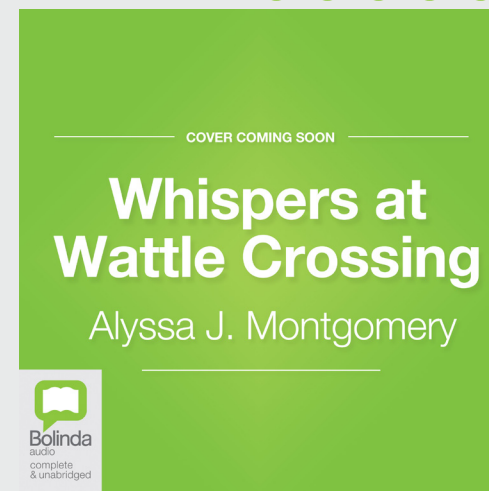

Alyssa J. Montgomery

When veterinarian Emma Dawson returns to Wattle Crossing after 14 years, she expects to simply be burying the grandfather who sent her away in disgrace. Instead, she finds a property in ruins, a community that still remembers every scandal attached to the Dawson name – and evidence suggesting her grandfather's death was no accident.

As whispers of corruption spread and long-buried secrets begin to surface, Emma finds an unexpected ally in rugged neighbouring grazier Tom McNaughton, one of the last people to see her grandfather alive. Together, they uncover clues that suggest someone in Wattle Crossing will do anything to keep the past buried.

With her family's legacy at stake, a killer at large, and old ghosts refusing to stay silent, Emma must decide how much she's willing to risk for the truth ...

Exit Party

Emily St. John Mandel

2031. America is at war with itself, but for the first time in weeks there is some hope: the Republic of California has been declared, the curfew in Los Angeles is lifted, and everyone in the city is going to a party.

Ari, newly released from prison, arrives with her friend Gloria just as a fragile new era begins. But there are people at the party who shouldn't be there. Something is very wrong ...

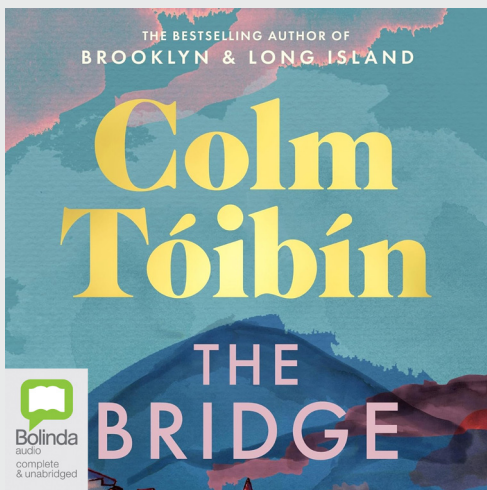

Years later, living a different life in Paris, Ari remains haunted by that night. Whatever happened at the party fractured her sense of reality – and may hold the key to a very different world ...

Playing the Field

Zoë Foster Blake

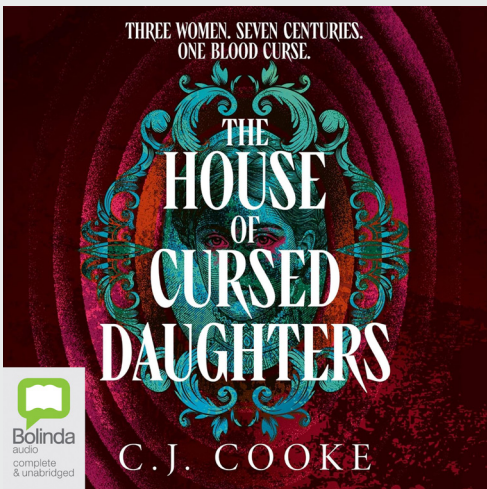

The game's on, and the girls are out to win ...

In the glossy world of footballers' WAGs, love is the toughest game of all.

Jean Bennett, aspiring jewellery designer, knows as much about football as she does astrophysics. But when she moves to the bright lights of Sydney and falls in love with star footballer Josh Fox, she has to learn – fast.

Thrown eyelashes-first into the world of WAGs, Jean is way out of her league. She navigates her way through semi-finals, a gruelling social calendar and salacious scandals on Josh's arm, safe in the knowledge he belongs to her – or so she thinks. But as her hair gets blonder, her heels higher and her tops lower, Jean begins to wonder who she's become ...

The House of Cursed Daughters

C.J. Cooke

It began in fire ...

Paris, 1307. When 11-year-old Princess Isabella of France watches four men burn at the stake, a dying knight curses her bloodline: love will destroy everything she holds dear.

It was forged in madness ...

Bedlam, 1865. Lois wakes in Bedlam Asylum with no memory of who she is – only a precious red stone and the growing certainty that something ancient is hunting her.

Can it end before blood is spilled?

Present day. Artist Emma Harris arrives at a crumbling French château for her wedding and the exhibition of her life. But the walls remember everything, and something has followed her here.

Seven centuries of destruction. One woman left to fight.

The No.1 global bestselling author of
LESSONS IN CHEMISTRY

BONNIE GARMUS

Peck & Peck

Saving
humanity.

It takes the
right type.

Peck & Peck tells the irresistible story of a young man whose life turns upside down when he is hired by the most prestigious, secretive and dysfunctional poetry journal in the world: the renowned Peck & Peck.

It's 1982, New York City. Crime is on the rise, muggings are in the streets, and Batter Gray, recent college graduate with a skill that no one wants – an 'ear' for poetry – is worried about his future. While all his friends have real jobs, he's folding T-shirts at the Gap. As for love? No. Not unless you count Sallie Mae, the student loan tyrant. He hears from Sallie all the time.

But when Batter gets a dream job at Peck & Peck, the most prestigious poetry quarterly in the world, his life moves into the literary fast lane. Soon Batter is knee-deep in the secret war between the two Editors in Chief, the famous Peck brothers – twins and enemies – as well as being privy to the private affairs of their 39 editors, whose professed mission is the same: Find originality. Reward creativity. Burn the rest. And by 'burn', they mean incinerate.

Because at Peck & Peck, 'good' isn't good enough, 'interesting' doesn't cut it, plagiarists aren't tolerated, and parolees run the mailroom. Still want to submit your poem? Go with God.

'This novel is everything: a love story, a literary thriller, a brilliant satire that's full of humor and heart. Only Bonnie Garmus can write like this.'

Too Sensitive

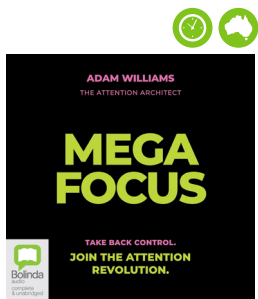

Rejection, Resilience, and the Science of Feeling Deeply
Dr Sasha Hamdani

A lack of response from a friend about weekend plans has you replaying every interaction. A short, blunt message from your manager leaves you convinced you're in trouble. Your partner is distant for a minute, and you assume the relationship's over.

From leading psychiatrist Dr Sasha Hamdani – aka @thepsychdoctormd – comes this groundbreaking, practical guide to an overlooked, frequently misunderstood phenomenon: Rejection Sensitive Dysphoria. Often, but not exclusively, found in people with ADHD, RSD is extreme emotional pain triggered by the perception of rejection or criticism.

Blending psychiatry, neuroscience and her own lived experience, Dr Hamdani offers a clear explanation of the condition, its triggers, and a questionnaire to assess your own level of emotional sensitivity. Her 'Calm Your Mind' 12-step protocol is a suite of tools proven to help handle extreme emotion and spiralling.

The Life We Choose

Anthony LaPaglia
Hollywood actor Anthony LaPaglia presents a memoir of reinvention, resilience and the relentless pursuit of something more. From a dysfunctional family home in Adelaide to the gritty streets of New York, where he tended bar while chasing roles, LaPaglia's journey is a meditation on identity, survival, fame and the cost of ambition.

LaPaglia grew up in the shadow of his father, but refused to be defined by him. Instead, he carved his own path, stumbling through mob-run bars, failed relationships and the unpredictable world of acting, all while searching for a truth that felt like his own.

Unexpectedly funny, brutally honest and steeped in the existential questions of Arthur Miller's masterpiece *Death of a Salesman*, in which he starred, *The Life We Choose* is a memoir for anyone who's ever dared to rewrite their story.

Murder Fest

Whitstable Pearl Mystery #6

Julie Wassmer

Pearl's detective agency must take a back seat during the local arts festival, where Pearl is due to welcome some very special visitors from Borken – Whitstable's twin town in Germany.

At the festival however, personality clashes soon surface: politicians try to turn the celebration to their own ends while others jostle for improved billing on the program. Tempers flare, old feuds resurface and on the eve of the first event, a cryptic message – Murder Fest – is received by the local police. Before DCI Mike McGuire has a chance to investigate, a celebrated author is found brutally murdered ...

Soon the only 'arts' on display are dark ones, as Whitstable's celebration of local culture transforms into a real-life murder fest – offering Whitstable's Pearl Nolan another mystery to solve.
