Real Conversations

#5 Steps to Connect with Confidence Mitch Wallis

Healthy relationships are the heartbeat of life – research tells us the number-one thing that keeps us happy is who we have around us. The best way to improve your own life, and the lives of others, is to invest in your ability to connect. But so often, when the people around us experience emotional pain, we don't know how to support them.

You may be a parent supporting your child with anxiety, a partner supporting your spouse with depression or addiction, a manager trying to support your employee through grief, a co-worker supporting your teammate with relationship issues, a friend supporting a loved one through financial stress or a teacher supporting a student being bullied.

If you can see yourself in any of these situations, this audiobook is for you. Like the tens of thousands of people Mitch Wallis has trained over the years through his Real Conversations workshops, you will learn from an evidence-based five-step framework: Engage, Listen, Safety, Action and Boundaries.

A whirlwind of great stories and rock-solid life lessons, *Just Don't Be a D**khead* is Kasey Chambers at her most heartfelt and honest.

From her childhood in the Australian outback to the heights of her chart-topping international success as a singer/songwriter, Kasey has trusted her gut, stuck to her values and learnt some hard truths, always while trying to live by the best advice she's ever received: just don't be a dickhead.

'This born-of-the-dirt, think-on-your-feet, no-bullshit way of being that not only helps you navigate life, but informs how you treat others as well [...] Sometimes it's the simplest truisms that light the way.

Who knows, maybe there was an eleventh commandment and it simply stated: JUST DON'T BE A D**KHEAD.'
