Billion-Dollar Ransom

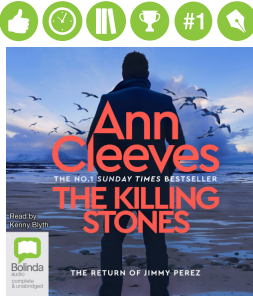

James Patterson & Duane Swierczynski

So here's the plan. Five innocent people. In different locations. All kidnapped at the same moment in time.

Two children taken from a private school bus. A film producer and a movie star grabbed at a hideaway resort. A beautiful wife whisked off the streets of Beverly Hills.

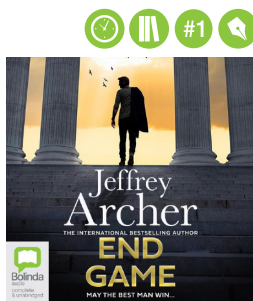

A billionaire wants his family back. The cash, gold, jewels, crypto is all ready. There's only one problem – a brilliant, very stubborn FBI agent. Special Agent Nicky Gordon doesn't want to pay the kidnappers. Not a dime.

Pip's world is small. But it's about to become a whole lot bigger.

For years she's tucked away her dreams, shrinking herself into the space left behind like the delicate origami she creates alone in her room. Then hope comes from an unlikely place – an astronomer from the local observatory. He teaches her to look up at the stars, and to see a world far bigger and more beautiful than she ever imagined. Perhaps in that big, beautiful universe there's someone waiting for her. If she can find the courage to open her heart.

Pip never stopped dreaming, but now it's time for her to live – and maybe even to fall in love.

Truly
Lionel Richie
Lionel Richie is ready to tell it all. In this intimate, deeply candid memoir, Richie revisits hilarious and harrowing events to inspire all who doubt themselves or feel their dreams don't matter. Richie chronicles lessons learned during his unlikely story of remarkable success – his dramatic transformation from painfully shy, 'tragically' late bloomer to world-class entertainer and composer of love songs that became the soundtrack of our lives.
Funny, warm and riveting, Richie recalls his childhood in Tuskegee, Alabama, where he grew up during the heyday of the Civil Rights movement, his raucous adventures as a member of the Commodores, his coming-of-age in late 1960s Harlem, his culture shock playing gigs on the French Riviera, the big break of being signed to Motown, his meteoric solo career including an Olympics performance witnessed by two billion, all the way through to writing 'We Are the World' and his current fame as a judge on American Idol. Even with its turbulence, loss and near-calamity, Richie's journey takes us on a thrill ride and delivers a memoir for the ages – reminding us of the power of love to elevate our own lives and our world.

Outlaw Bikers in Australia

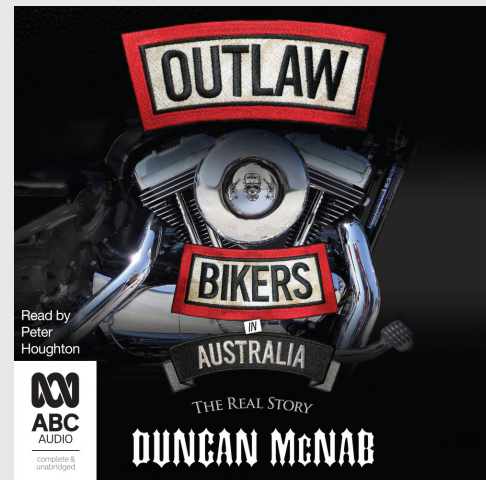

The Men, the Myths, the Mayhem
Duncan McNab

Australia has a unique place in the history of outlaw motorcycle gangs, boasting the highest per capita membership in the world, and a biker culture where bombings, drive-by shootings, arson, beatings and murder are regular occurrences.

From the clubs' beginnings in the swinging 60s, their entry into the amphetamine market in the 1970s, through to the 1984 Milperra Massacre that made world headlines, to the Sydney airport brawl between the Hell's Angels and Comancheros and the brutal murder of Anthony Zervas, *Outlaw Bikers in Australia* tells how these 'one per cent deviants' grew to dominate the recreational drug market and became major players in the international outlaw biker scene.

This is the dramatic story of the rise and rise of Australia's outlaw motorcycle clubs by bestselling author Duncan McNab, a former New South Wales detective and expert on outlaw bikers around the world.

Duncan McNab is the bestselling co-author of *Dead Man Running*, and the author of *Killing Mr Rent-a-Kill*, *The Usual Suspects: The Life of Abe Saffron*, *The Dodger*, *Roger Rogerson* and the 2017 Ned Kelly Award-winner *Getting Away With Murder*.
