Now disgraced and spiralling, Fletcher wakes up in a hotel room with no memory of the last 24 hours... and a dead body beside him.

Three Reasons for Revenge

Dervla McTiernan

Three gifts.

Three packages arrive at three very different homes: a respected psychologist's house, a socialite's mansion and a single father's run-down apartment. The contents will tear apart the lives of their victims.

One deadly game of revenge.

This quickly becomes the most complex case of DS Judith Lee's career. She's convinced the gifts connect to a young woman who reported an assault then disappeared overnight ... but how?

Not everyone will survive.

As Judith races to uncover the truth, she realises she's no longer just investigating – she's being forced to play a very dangerous game. A game where only the winners will survive.

After turning informant for the FBI against a global criminal empire, Walter Nash has lost everything he cherished to its ruthless leader, Victoria Steers. Once gentle and sensitive, Nash's rigorous training has forged him into a figure of power and precision with a singular mission: to take down Steers.

Defeating a mastermind requires cunning. Known for her sharp instincts, Steers confides in only a trusted few, so to penetrate her inner circle and dismantle her operation, Nash must summon all of his savvy and strength.

But as he edges closer to the woman who unraveled his life, Nash finds himself oddly drawn to Steers in ways he never could've imagined. And what he uncovers will upend all he knows, leading him to a choice that will change everything.

'In Baldacci's long list of heroes, Walter Nash is among the most memorable: a truly sympathetic everyman whose gradual hardening into a violent vigilante feels entirely earned.'

— Publishers Weekly

'A rival franchise starring a roving tough guy, taking advantage of Jack Reacher's decline.'

— The Sunday Times

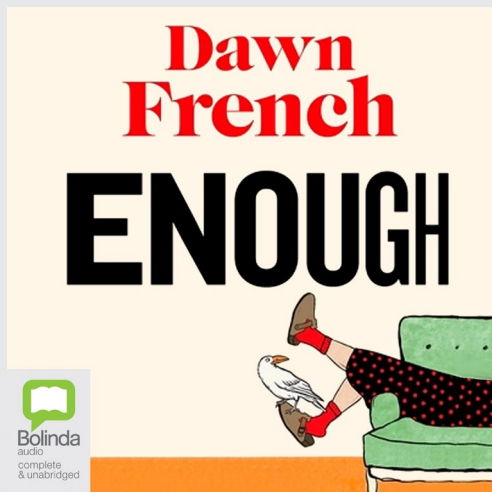

'Baldacci has done it again. His new series starter is a worthwhile investment that will have readers eager to follow Nash in his continuing pursuit of justice.'

Alice Taylor

Come sit awhile with Alice Taylor. Take a little time out – to rest, to think, or just to be.

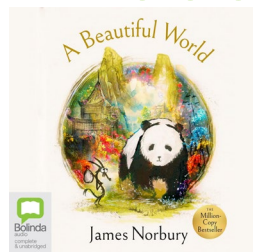

Life can race along at a fast pace, sometimes almost stampeding us along with it. What a pity not to slow down and take the time to enjoy little things, or simply doing nothing or chatting with a good friend. Sometimes Alice finds a comfortable place to sit, maybe a low wall, a garden seat or a grassy bank. A place to let the mind calm down and let thoughts drift. With this audiobook she invites you to share the special moments of life.
