### Hidden Nature

### Nora Roberts

Natural Resources police officer. Sloan Cooper. and her partner had just taken down three men preving on hikers in the Western Maryland mountains. Driving back, she pulled in at a convenience store - and walked right into a robbery in progress. One gunshot from a jittery thief was about to change her world. After being shocked back to life on the operating table, she has a long recovery ahead, so she moves back to her parents' peaceful house in Heron's Rest. As for the boyfriend who dumped her via text while she was in the hospital, good riddance.

She may be down, but she's not out. So when a woman vanishes, leaving her car behind in a supermarket parking lot, Sloan searches online for similar cases. She finds them, spread across three states. Men and women, old and young - the missing seem to have nothing in common. And the abductions keep happening. It will take every ounce of endurance to get to the dark heart of this bizarre case - and she's willing to risk her life again if that's what it takes to stop the horror..

# **JAMES O. BORN**

Michael Bennett says a prayer every time he witnesses a death. In his line of work, it happens too often. But lately he's attended so many police funerals that his deepening sadness is crossing into the zone of suspicion.

Bennett must find the person responsible for the deaths of his friends – before he becomes their next target. With a new baby on the way, Bennett's protective instincts – as a father, a colleague and a detective – have never faced a bigger test.

'No one gets this big without amazing natural storytelling talent – which is what Jim has, in spades.'

- Lee Child, #1 New York Times bestselling author

'It's no mystery why James Patterson is the world's most popular thriller writer ...'

- Jeffery Deaver, #1 Sunday Times bestselling author

Where there's a will, there's a war,

Thayer Wren, brilliant CEO of Wrenfare Magitech, is dead. As the 'father of modern technology', he leaves an incredible legacy. But which of his three telepathically and electrokinetically gifted children could inherit the Wrenfare throne?

Meredith, head of her own profitable company, has recently cured mental illness. If only her journalist ex-boyfriend wasn't set on exposing what she really is - a total fraud. Arthur, second-youngest congressman ever, wants to do everything right. Except his wife might be leaving, and he's losing his reelection campaign. Heading Wrenfare could relaunch his sinking ship. Eilidh was a world-famous ballerina, until a life-altering injury. Gaining the company might finally validate her worth.

On the pipeline of gifted kid to clinically depressed adult, nobody wins. Yet as they gather to read his final words, which Wren will come out on top?

### The Tomorrow Project

### H. Critchlow

In 2050s London, fear grips like a vice as a deadly virus sweeps the globe. The British prime minister tells her people to remain calm. A vaccine will be available soon, and as a precautionary measure children will be whisked away to undisclosed locations, kept safe until the storm passes.

Marianne, Downing Street press secretary, doesn't realise the futility until it is far. far too late. When the truth hits her. Marianne is forced to choose: stay with her family, or do whatever she can to help the doomed survive.

As London falls, seven-year-old Maia is one of the last to escape the city. In an evacuation camp, she binds herself to Finn - in the absence of everything she knew, he becomes her everything.

Yet as the years roll on and hope fades. Maia sees the bubble of safety is also a prison. She realises there is only one choice - to leave the camp and find what remains on the outside.

### THE NO.1 SUNDAY TIMES BESTSELLER S.J. PARRIS

When a young heiress is found murdered at the theatre, the Queen's spymaster Robert Cecil calls upon former agent Sophia de Wolfe to investigate.

A cryptic note found on the dead girl's body connects to Sophia's previous life as a spy, and her quest soon takes her into dangerous waters. Powerful enemies emerge, among them the Earl of Essex: the Queen's favourite courtier and a man of ruthless ambition.

This is a murder that reaches directly into the heart of the court. And Sophia is concealing a deep-buried secret of her own. She must uncover the truth before her past threatens to destroy her.

### **Blue Lightning**

Shetland #4 Ann Cleeves

Shetland detective Jimmy Perez knows it will be a difficult homecoming, as he returns to Fair Isle to introduce his fiancée to his parents. With the autumn storms raging, the island is cut off from the rest of the world.

Then a woman's body is discovered at the renowned bird observatory, with feathers threaded through her hair. Perez has no support from the mainland and must investigate the oldfashioned way – alone. He soon realises that this is no crime of passion, but a murder of cold and calculated intention.

There will be no way to escape the island until the storms abate. And so the killer is also trapped, just waiting for the opportunity to strike again ...
