The Widow

John Grisham

Lawyer Simon Latch is struggling with debt, gambling issues and an impending divorce. But when Eleanor Barnett, an 85-year-old widow, visits his office to secure a new will, it seems his luck has finally changed: she claims she's sitting on a \$20 million fortune and no one else knows about it.

Once he's hooked the richest client of his career, Simon works quietly to keep her wealth under the radar. But it's a terrible mistake. Hidden secrets have a way of being found out, and when Eleanor is hospitalised after a car accident, Simon realises that nothing is as it seems.

As events spiral out of control, he finds himself on trial for a crime he swears he didn't commit: murder.

Royal Witch

Philippa Gregory

Eleanor Cobham arrived at court with nothing – her greatest hope was simply to marry well.

But her ambition carried her further than any woman before her had dared. She wanted to rule her own destiny. To rule England itself.

They say she summoned the devil himself to secure her fate. They say she plotted to murder a king.

Now, it's time to finally hear her story.

This is the tale of the woman they called witch. Who would have called herself queen.

The Bridge

Colm Tóibín

Miquel and his father are living an uneasy life together in his mother's house in the Pyrenees, the house she had been returning to on the day she died. A new bridge, connecting the two valleys, is almost complete, which will end the valley's isolation and create an easier route to smuggle contraband deep into the mountains.

Where Miquel's father imagines opportunity, Miquel foresees disaster and an exposure to the outside world for which his father is desperately unprepared.

LESSONS IN
CHEMISTRY

BONNIE GARMUS

Peck &
Peck

It's 1982, New York City. Crime is on the rise, muggings are in the streets, and Batter Gray, recent college graduate with a skill that no one wants – an 'ear' for poetry – is worried about his future. While all his friends have real jobs, he's folding T-shirts at the Gap. As for love? No. Not unless you count Sallie Mae, the student-loan tyrant. He hears from Sallie all the time.

But when Batter gets a dream job at Peck & Peck, the most prestigious poetry quarterly in the world, his life moves into the literary fast lane. Soon Batter is knee-deep in the secret war between the two Editors in Chief, the famous Peck brothers – twins and enemies – as well as being privy to the private affairs of their 39 editors, whose professed mission is the same: Find originality. Reward creativity. Burn the rest. And by 'burn', they mean incinerate.

Because at Peck & Peck, 'good' isn't good enough, 'interesting' doesn't cut it, plagiarists aren't tolerated, and parolees run the mailroom. Still want to submit your poem? Go with God.

'Charming, uplifting, soulful and original, Peck & Peck is the perfect successor to Lessons In Chemistry.'

— Kristin Hannah, author of *The Nightingale*

'This novel is everything: a love story, a literary thriller, a brilliant satire that's full of humor and heart. Only Bonnie Garmus can write like this.'

Too Sensitive

Rejection, Resilience, and the Science of Feeling Deeply
Dr Sasha Hamdani

A lack of response from a friend about weekend plans has you replaying every interaction. A short, blunt message from your manager leaves you convinced you're in trouble. Your partner is distant for a minute, and you assume the relationship's over.

From leading psychiatrist Dr Sasha Hamdani – aka @thepsychdoctormd – comes this groundbreaking, practical guide to Rejection Sensitive Dysphoria. Often, but not exclusively, found in people with ADHD, RSD is extreme emotional pain triggered by the perception of rejection or criticism.

Blending psychiatry, neuroscience and her own lived experience, Dr Hamdani offers a clear explanation of the condition, and a questionnaire to assess your own level of emotional sensitivity. Her 'Calm Your Mind' 12-step protocol is a suite of tools proven to help handle extreme emotion and spiralling.

Too Sensitive also features an extensive rundown of real-life situations known to trigger RSD, covering relationships, work and career, friendships, family and self worth and sets out how to manage them, in the moment.

Timeless

The Art of Reinvention and Resilience at Any Age
Maye Musk

In her late 70s, Maye Musk is thriving like never before: walking runways, gracing magazine covers and inspiring audiences worldwide. But her journey to success was anything but conventional. In *Timeless*, she shares her extraordinary story of resilience, adaptability and the courage it takes to embrace change at any age.

With warmth, humour and hard-earned wisdom, Musk reveals how she transformed her life – again and again. She shares the behind-the-scenes story of her second – and third, and fourth – acts. From surviving a difficult marriage, to raising three children – including visionary entrepreneur Elon Musk – as a single mother, she built her career as a dietitian from the ground up, while modelling on the side to make ends meet. Reinvention wasn't a choice; it was her lifeline.

After decades of overcoming hardship, Musk proved that a woman's best years don't have an expiration date. Her story is a testament to the power of perseverance and the belief that life's most extraordinary chapters can unfold at any age.

Christmas Wishes

It is the autumn of 1945 and identical twins Joy and Gillian Lawrence are on their way home to Liverpool, having been evacuated to Devonshire five years earlier. Their mother has been killed in the Blitz but the girls hope that with their beloved father's help they will be able to manage without assistance.

All goes well until there is a terrible accident and Joy loses her sight. At first she is bitter and resentful whilst Gillian is racked with guilt. However, as time passes Joy gains confidence, hopeful that her sight will return since life is not easy when you can't see the face of the boy you think you love.

Then there is a chance meeting on a train and once more the girls' lives are in turmoil ...

'Listening to the laughter, the sounds of children playing, Harriet and David would reach for each other's hand, and smile, and breathe happiness.'

Four children, a beautiful old house, the love of relatives and friends – Harriet and David Lovatt's life is a glorious hymn to domestic bliss and old-fashioned family values. But when their fifth child is born, a sickly and implacable shadow is cast over this tender idyll. Large and ugly, violent and uncontrollable, the infant Ben, 'full of cold dislike', tears at Harriet's breast. Struggling to care for her new-born child, faced with a darkness and a strange defiance she has never known before, Harriet is deeply afraid of what, exactly, she has brought into the world ...
